

Your Word is the light to my way. "(Ps. 119,105)"

Dear Biblical Pastoral Ministries Co-ordinator,

It is indeed a great joy for me to wish and pray for you at this season of Christmas- A Merry Christmas, Joyeux Noel, Boas Festas de Natale ! May the incarnate Word grant us good health, more prosperity and blessing in our Biblical Apostolate.

As I was in home leave, I could not keep contact with you. I was also invited for the Continental Workshop in Yaoundé –Cameroon. I could not get ticket so finally I have to cancel the programme. However, some of our confreres attended the workshop on the Word of God like Bishop Gaspard Mudiso. I shall try to send you the final statement of it. It may be useful to you.

The next important thing in our agenda is the Biblical and Communication Co-ordinators meeting in Madagascar. The dates and venue are fixed. **The dates: 18th Sept to 24th Sept 2011 at Antanantivo** the capital of Madagascar. May I ask you to take some time to reflect over the theme for this meeting. If you get good ideas, then pls send it to me or to Fr Xene Sanchez, the Zonal coordinator.

I wish you all the best in your apostolate. Fr. Lukas the Generalte Cordinator for the Bible has asked me to send the report. I am sure you may be having myriad of activities to report. So pls send him a short report about your activities in your province /region or mission. It will be a good charity on our part. Thanks.

Once again, I wish you a joyful Christmas and a Bright New Year 2011. I am looking forward to hera from you at Christmas. May God bless you all.

Zonal Co-ordinator for Biblical apostolate,
